the trophy

On November 21, 1946, Mr. Win Schuler of Marshall donated a trophy to be given to the school in the Twin Valley League that had the best all around record in sports. Years later it was decided to include all conference approved athletics in which three-fourths of the members participated.

Last year Adrian managed to edge out East Lansing by 62 to 60 points, when East Lansing was unable to play their last baseball game because of wet weather. The game had been scheduled and rescheduled; but the season was unusually wet. Before the game could be played the school year had ended. If East Lansing had played and won this game against Sturgis, they would have gained the two points needed to tie Adrian for top honors.

Marshall has had the trophy four times, which is the most of any of the teams in the Twin Valley League. Marshall won in 46-47; East Lansing in 47-48; Coldwater in 48-49; Marshall in 49-50, 50-51, 51-52; Lakeview in 52-53, 53-54, and Adrian in 54-55.

The points are scored as follows: The four major sports, football, basketball, baseball, and track, receive 16 points for first place, 14 for second, 12 for third, 10 for fourth, 8 for fifth, 6 for sixth, 4 for seventh, and 2 for eighth. The four minor sports, tennis, golf, wrestling, and swimming, are allowed 8 points for first, 7 for second, 6 for third, 5 for fourth, 4 for fifth, 3 for sixth, 2 for seventh, and 1 for eighth.

The trophy is awarded at the fall meeting of the league.

honorary trainer

GERALDINE STEWART, B. A.

G is for the goodness and wise guidance
she shed on us throughout the passing time.
E stands for untiring efforts given
for us upon beginning our life's climb.
R means that she's always gay and radiant
with cheerfulness and friendship she's aglow.
A shows us ability that's endless;
for this a million thanks we now bestow.
L is just because she's such a lady,
her characster is far above reproach.
D points to her driving sense of duty,
her goal of true perfection to approach.
I are her ideals uncompromising,
her Christian way of meeting each new day.
N just means her quality of niceness
that always seems to chase the blues away.
E here stands for everything she's worked on
to help us through these last three years of school.

S is her sincerity and sweetness
and faith in God's own Golden Rule.
T is just because she's always thoughtful
with patience far beyond all width and length.
E means that she sets a fine example,
with dignity of manner, quiet strength.
W shows us she's wonderful in all things,
in anything that she may undertake.
A for good advice that's ever flowing
to help us choose the path that we should take.
R points to her special brand of realness,
that quality that's found in all too few.
T shows that we're grateful and we thank her.
This Sickle, Mrs. Stewart, is dedicated to you.

Seated: Lunn, Beebe, Ashley, Hood. Standing: Rubel, Paull, Baker, Hampton, Smith, Schwartz, Oyer, Hill, Beaubien, Kidd, Bell, Sherman, Sneed. Missing: Bond.

The Sickle Staff this year is composed of many more underclassmen than in recent years. The class, this year, has nine seniors, six juniors, and three sophomores.

Jane Ashley, the editor of this years Sickle, is the only member that was a member of the staff last year.

Because we worked a little harder (or more likely were a little luckier), we were able to get more ads to help pay for the Sickle this year than in years gone by.

We have done something this year that has never been done before—that is, having a theme for the Sickle. "Training For The Race of Life" was the title chosen.

A lot of credit must go to our two artists, Delight Beebe and Ron Sneed, who have done much work in preparing this edition.

We hope you enjoy this years Sickle as much as we enjoyed bringing it to you.

"The Little Dog Laughed," a three act comedy, featured a college sophomore majoring in psychology. Returning home, she expected to find her family normal and well-adjusted; instead they were tied up in psychological knots. Laurie's mother invited her snobbish friends for an afternoon tea party, and while she was out of the room, Laurie administered the Zambrouski Ink Blot Test and laid devastatingly bare the "inner personalities" of her mother's quests. Impressing "energy peaks" 'and "blood to the brain tests" on her brother, Wally, cause him to lose his one and only, Joansie.

One night, after Laurie has gone on a date with handsome but moody Mack Bradford, the family decided to do a little "purging" on their own. The tables were turned and put Laurie on the outs with Mack.

All turned out well at the end, with Laurie threatening to give up her psychology. Her father, Sid Hunnington, induced her to continue her career because, "It's good for the patient."

The play was a great success thanks to Miss Sherman and her fine and untireless efforts of directing.

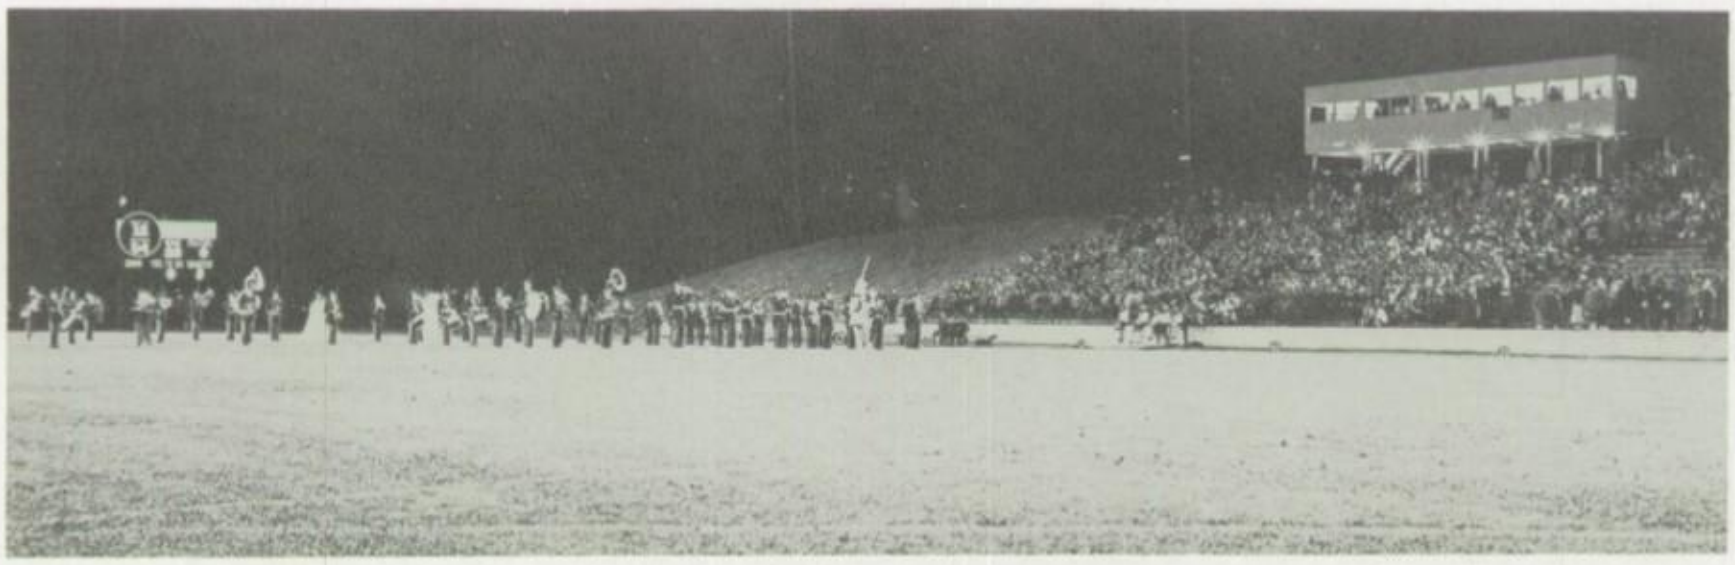
Varsity Football

Although the 1955 Maple football team didn't have a victorious season they played much better ball than the win and loss column indicates. The final season record was one win, two ties, and five losses. Coach Chiaverini is looking forward to a successful season next year with Don Coulon as captain and the following men returning from the Varsity: Jerry Barnes, Ron Warner, Jim Shadwald, Larry Cosgrove, Mack Vickery, Don Kidder, and Jack Wilson. Strength which will be coming from the reserves are: Backs—Eddie Mandrell, Norman Seidel, Pete Regalado, Pete Fisher. Ends—Earl Osborn, Raul Perez, Jerry Clark. Tackles—Paul Funk, Dennis Dowling, Leon Powell, Gary Dunbar, Wayne Roback. Guards—Glenn Goist, Jack Harris, Doug Engel, and at Center, Mike Renner.



varsity football

On September 16 the Maples opened their season by traveling to Monroe to meet their traditional rivals, the Trojans. The Trojans were outfought and outplayed by the Fighting Maples, yet managed to outscore Adrian to chalk up their fourth straight win the series. The Maple's defense was superb in the first half, holding Monroe to a minus 21 yards in rushing. However, Monroe scored on a freak touchdown play which resulted in the Adrian loss by a score of 7-0.

The second game, played at East Lansing on September 23, ended with a clear-cut decision for the East Lansing Trojans. Larry Belanger was the outstanding player for Adrian. Ron Hoeft and Don Coulon also were credited with playing good defensive ball. At the end of the half East Lansing was leading 13-0. The game ended 33-0 for East Lansing.

The churning legs of Larry Belanger and the speed of Hugh Shepherd paced Adrian to a 13-13 tie with the Sturgis Trojans on September 30. Shepherd, Hoeft, Hood, Belanger, and Howard were outstanding on defense. Big Jim Shadwald and Hood opened huge holes for Belanger on offense. Coach Chiaverini said he was pleased with the defensive play of senior Hilbert Brooks.

With the Maples as sharp as their new $60,000 stadium, they rolled over the Coldwater Cardinals 48-12 on October 7. This was the highest league score run up by an Adrian team since it joined the league in 1934. Scoring was opened by Jim Lunn in the first quarter. Cal Adams then booted the first of six extra points. Howard showed brilliant passing form as he connected with Ron Hoeft for Adrian's fourth touchdown. Outstanding players were hard to pick because Coach Chiaverini substituted freely.

Lakeview, on October 14, led by all-state halfback Bill McNally, rolled over the Maples 34-6. Early in the game Bob Howard, Adrian's number one quarterback, suffered a mild concussion and was missed greatly. Larry Belanger scored the only Maple touchdown. Shepherd, Hood, Hoeft, Shadwald, Saylor, Lunn, and Coulon made creditable showings on defense.

The Fighting Maples outplayed the Albion Wildcats on October 21, but failed to make their extra point and came out on the short end of a 19-18 score. The Maples played their best game of the year against the fired up Albion eleven which was playing before Albion homecoming fans. Touchdowns were scored by Belanger, Shepherd, and Coulon. Outstanding on the defensive line for the Maples were Lupe Mendez, Riley Lincoln, Jim Shadwald, Jim Patmos, Tom Hood, Larry Roesch, and Ron Sneed. Adrian suffered from the loss of Hugh Shepherd, one of the Maple's finest players.

On October 28 the Maples lost a heart-breaker to the Marshall Redskins 14-12. A freak play and extra points again spelled defeat for the Maples. Bob Howard displayed some more of his brilliant passing by connecting on 8 of 12 passes. Maple touchdowns were scored by Howard and Coulon. Belanger played his usual brilliant offensive game, but was removed in the early minutes of the fourth quarter with a head injury. Coulon, Hood, Patmos, Shadwald, and Mendez played good defensive ball for Adrian.

The hard fighting Maples gained a 19-19 tie with the Three Rivers Wildcats. Belanger was the hero of the game by scoring all of Adrian's points. Bob Howard again displayed his passing arm by completing 15 of 27 passes attempted. After Adrian was leading 6-0 Three Rivers rallied to make the score 19-6. Then Adrian began to march again. The Maples closed the season in brilliant fashion by scoring the tying touchdown and extra point in the last few seconds.

homecoming

The annual homecoming of Adrian High School began with the snake dance the night before the game. A parade was held the next afternoon. Of the many floats entered, three prizes were won: Originality, Room 48; Beauty, Room 37; and Humor, Room 16. Jo Ann Hampton and Sandra Green won the prize for being the funniest clowns.

During the halftime of the game against Three Rivers, our Queen, Miss Phyllis Fox, was crowned by Kelley Howell while the band played The Way You Look Tonight." The members of the court were De-light Beebe, Jane Ashley, Emily Tompson, Christine Carlson, Barbara Miller, and Judy Tolford.

Following the game a dance was held in the gymnasium. The Grand March was a feature of the dance. This was led by Mr. and Mrs. Edward Carl-son, after Queen Phyllis and her court, preceded by the Hampton Twins, had entered and taken their places of honor.

Merrie Christmas was General Chairman of the event. Chairmen of the various committees were as follows: Parade, Kelly Howell; Coronation, Sharon Wood; Dance, Phyllis Fox; Pep Meeting and Snake Dance, Judy Tolford.

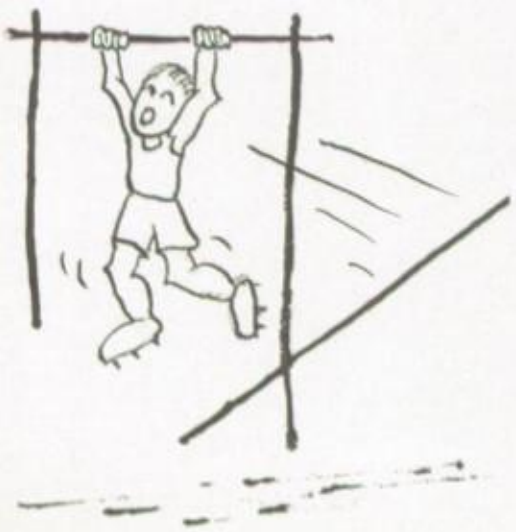
With Larry Masteller retaining his 440 yard state championship and Dave Peele running brilliantly in the mile, the Adrian track fans had much to be happy about in 1955. The squad also had other stand-outs: Dick Wells, Twin Valley and Albion Relays half mile champion; Don Coulon, second in Twin Valley shot put; and the 880 Relay team composed of Jim Lunn, Allyn Saylor, Tom Hood, and Masteller, which broke the school record in the event.

Coach Cretcher is looking forward to another successful season in 1956 with such returning lettermen as: Jim Lunn, high team scorer for the past two years; Allyn Saylor, sprinter; Don Coulon, shot put; Tom Hood, hurdles; Dave Sawyer, pole vault; and Harry Lewis, Dick Wells, Art Garcia, and Jack Wilson distance runners. Men who will bolster the returning lettermen are: Don Kidder, Keith Herbert, Jerry Barnes, Dick Hanna, Bob Dunbar, Larry Krouse, Larry Kneriem, Keith VanSickle, Chuch Kispaugh, and Bill Pettit.



Again this year the team will be entered in some of the state's large track meets. Some of these will be the Albion Relays, Portage High Relays, State Regionals, State Finals, and possibly the Mansfield Relays.

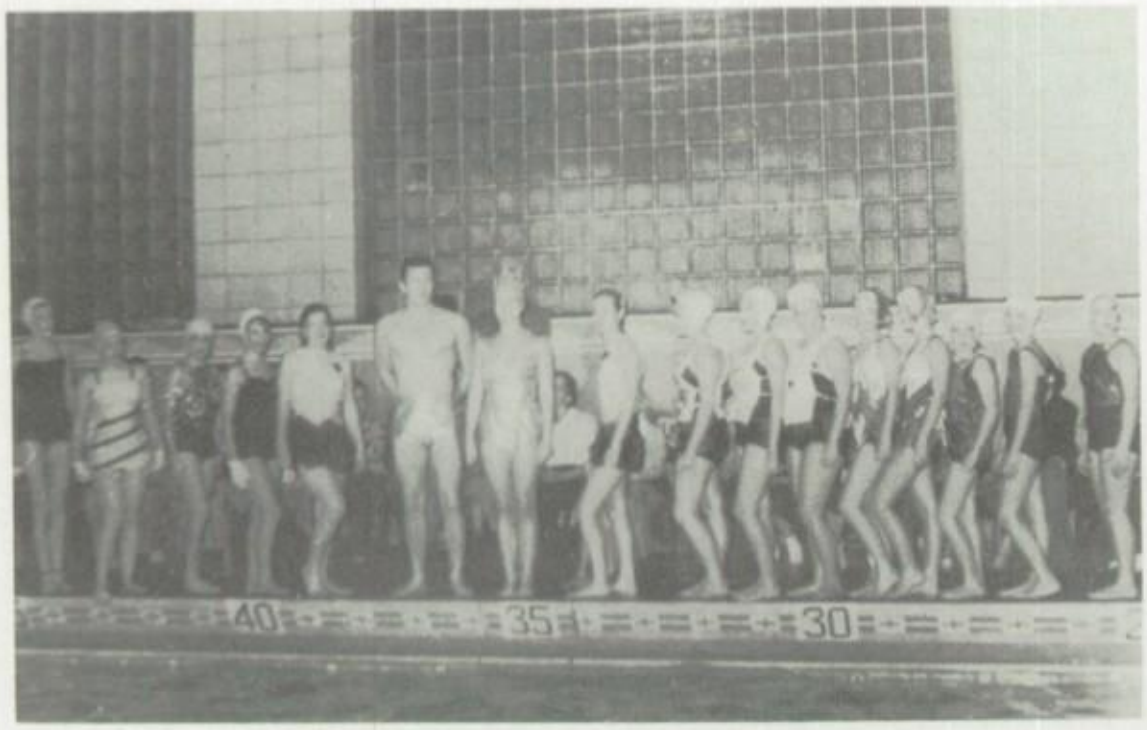
pool



On the evenings of November 21 and 22, capacity crowds were thrilled by the annual pool show, "King Neptune's Domain." The performance began with the coronation of King Dennis Dermeyer and Queen Geraldine Barnes. Following the coronation came the specialty numbers "The Duel," "The Trumpeters," "Prince and Princesses," "The Royal Hearts," "The Invaders from Space," "Knights in Armor," "Court Jesters," 'Royal Blue," and "The Wandering Minstrels." Following the specialty numbers were a performance by the king and queen and the grand finale by the cast. The narrators, Shirley Friedrich, Sharon Wood, and Emily Tompson, did a fine job. The directors, Mrs. Davis and Mrs. Chiaverini, did a very capable job on the Pool Show.

Under the direction of Mr. Chiaverini, the Varsity Club started their fall activities by having a hayride. Election of officers was held the first week in December and shortly after was the initiation of new members.

The goal of the Varsity Club this year was to boost the treasury. One plan, which was impossible to start until next year, was to have a coat check at basketball games. A second plan was to have a varsity-faculty basketball game. This took place at the Blue and White game.

During the winter months a toboggan party was held and in the spring the club members enjoyed a splash party. After the spring initiation a picnic was held, thus concluding another successful year for the Varsity Club.

The 1955-56 Student Council, under the direction of Mr. Davidson, has undertaken many new projects this year.

The Council introduced a new way of conducting Career Day. In the past the people of business and industry have come to Adrian High. This year the Council introduced the idea of having the students go to the places of industry and business.

The issuing of library permits, tardy slips, and absentee slips have been turned over to the Student Council to lessen the work of some of the teachers.

The social box in the office and the dance instructions are also among the new undertakings of the Council this year.

Twin Valley Student Council meetings are held each year for the purpose of discussing problems and exchanging ideas between each Twin Valley Schools. This year Phyllis Fox, Judy Tolford, John Goldsmith, and Glenn Goist were appointed to go to the meeting.

Business Organization Club

The Business Organization Club has been very active in the business management of the wrestling team by compiling the programs and soliciting the ads. They sold the tickets, had advertising posters placed in various places, and had announcements over the public address system. The members of the club were also scheduled to serve as ticket takers and sellers for the swimming meets, basketball games, and football games. The Business Organization Club spent time making shakeroos, which were sold at the football games.

During the first two weeks of February, each member of the club provided two ads for the district basketball tournament programs. At the close of the year they were all looking forward to spending a delightful day at the lake at Mr. Lutz's cottage.

Under the excellent leadership of Mr. Lutz, the Business Organization Club members worked diligently to earn a Business Organization pin. They all believe that this year was a huge success.

Anyone interested in farming is sure to be pleased with joining the F. F. A. The motto, "To practice brotherhood, honor, rural opportunities and responsibilities, and develop those qualities of leadership a future farmer should possess", speaks for itself as to the kind of a club the F. F. A. really is. Jack Hill leads the club this year with the help of Mr. Moore, the new advisor. The club raises money in various ways. This year they held a pancake supper. In the summer the boys spray crops etc. to help raise money. Each year the Adrian Chapter of the F. F. A. sends delegates to the F. F. A. State convention. Eugene Beckel, Dan Russell, and Jack Hill were delegates this year. At the convention Jack Hill was elected Vice-president of region two.

Eight boys of Adrian High School had the honor this year, of being selected as Junior Rotarians. The boys were selected by the faculty after consideration was given to their scholastic records and citizenship. Each Rotarian attends the Rotary meetings for a month to become acquainted with the organization of this club. At the end of the year, the fellows all go back and provide the program for one meeting.

all school play

"A Dance With Our Miss Brooks" was chosen as this year's all-school play. The hilarious comedy was based on the "Our Miss Brooks" of radio and television fame.

The play centered around a spring dance. "Tulip Time." in which Miss Brooks got "in dutch" due to unforeseen circumstances, in other words, trouble. Miss Brooks and the dance committee were in charge of the dance. All seemed to be going fine, even the two romantic interests, Miss Brooks and the coach, Woody and Karen, when trouble set in. Ladies from the Taxpayers' Association came to see the school about an increase in the budget. They thought extra-curricular activities were useless and unnecessary until Miss Brooks set them straight. They were so impressed, they asked to come that evening and give a talk to the whole group. There went the date Miss Brooks and the coach had planned. Misunderstandings led to more trouble, plus the fact that the scatter-brained Audrey forgot about getting an orchestra for the dance.

Just as it seemed everything for the dance was ruined—dates, decorations, and orchestra—things began to look up. Broken friendships and romances were mended and misunderstandings cleared up. As the end came, everything had been righted for a happy, humorous ending to an equally humorous play.

The cast of twenty-six did a brilliant piece of work in this laugh-provoking comedy. The play was superbly directed by Miss Ruth E. Sherman.

Band

The band furnished us with delightful music this year at all the important functions. During the football season the band members faithfully turned out and practiced, regardless of the weather, coming up with very fascinating and entertaining half-time programs. The band, under the direction of Mr. Bohms, put a lot of pep into all the athletic events. We appreciate his hard work in conducting the band. Also we appreciate the students who gave up much time and effort to make our band one of which Adrian can be very proud.

In addition the band participated in the district and state festivals, receiving a first division rating in the district for the last six years. They also went to the State Fair and took part in that event.
